## PROFESSIONAL SUMMARY

Motivated Full-Stack Developer with a strong analytical mind, eager to learn and ambitious, interest in web applications. Knowledge of C# and some experience with React. A former diplomat with extensive research and information gathering, preparing reports with attention to details, administrative and organizational skills. Knowledge and experience in an international working environment, ability to work flexibly as a team player and/or independently. Work ethic and discipline are important to me. Feel free to contact with my instructor Benedikt Lantsoght (0499 388 227).
